ALERT # 4

**SHOUT-OUT TO DAVID GIALANELLA –
NJ LAW JOURNAL COVERAGE ON ZUCKER GOLDBERG BANKRUPTCY !**

David Gialanella has kept a beam shining on Zucker Goldberg's bankruptcy since the issuance of its New Jersey WARN Notice.

Zucker Goldberg's is no ordinary Chapter 11 bankruptcy because Zucker Goldberg is no ordinary business. For the last decades of its 92 years Zucker Goldberg served as the premier #FRAUDclosureMill and gatekeeper/pointguard for predatory lenders far and near. Its gross revenues topped \$30M/annum !

Not only that, to fully understand the scope of its tenacles, draw a circle.

Quadrant #1 is its alter ego, Yankee Title. Ask yourself how a law firm and title insurance entity can function as one and the same ?!? A few years ago the banks got wise and brought that double-dipping to a screeching halt !

C'est la vie.

Quadrant #2 is Zucker Goldberg, the Dispatcher/Sanitizer “Go-To” for banks. Its “success” as a cemetery for “problem” mortgages is a big part of why #NewJerseyUNIQUE remains #1 nationwide in #DEEP6FRAUDclosure !

New Jersey, Florida foreclosure hotbeds of 2015: Report

<http://www.cnbc.com/2016/01/14/new-jersey-florida-foreclosure-hotbeds-of-2015-report.html>

Quadrant #3 is 4S Tech, the jack-of-all-trade that is attempting to steal/siphon Zucker Goldberg's electronic storehouse. (Very nervy.)

Quadrant #4 is a hodgepodge of other entanglements, including Stewart Title. Leonard Zucker, Esq. is the connecting agent, as best I can tell. Whatever.

Keep your eye fixed on Michael S. Ackerman, Esq., the Houdini Master Mind of #DEEP6FRAUDclosure A/K/A #RoboSigningPart2.

While you ponder on all that, solve the mystery of why predatory lenders would dump/stop paying such a nimble critter as Zucker Goldberg.

Those who are talking don't know. Those who know aren't talking.

In the meantime, follow the unraveling of the Zucker Goldberg Empire by reading the excellent coverage of David Gialanella's series of articles, listed below.
