ALERT # 5

#NewJerseyUNIQUE #JudgeRothschild is #MorePartialThanTheSTORM !

#JudgeRothschild pervaded justice. Period. End of story.

There is nothing “impartial” about #JudgeRothschild’s handling of #BAILEYvZuckerGoldberg. And time will tell how the New Jersey Appellate Court comes down on that hot button issue. Too bad the New Jersey Appellate Court’s hearings’ policy is: UNRECORDED, UNTRANSCRIBED. There is no justification for that practice, and it affords all types of opportunities for breaches of due process.

During the January 21, 2016 Oral Argument #StevenKrollEsq of #ConnellFoleyLLC, made not attempt to defend #JudgeRothschild inexcusable behavior of deleting 20 crucial seconds of the July 25, 2014 Court hearing. Mr. Kroll did **NOT** touch that 3rd Rail. Tsk. Tsk.

So, #JudgeRothschild, you are on your own !

#TimeForSomeEthicsLAWYERS !!! And time is of the essence.
